Application for membership of the Indian Institute of Insurance.

The IRDA and the Indian Institute of Insurance Surveyors and Loss Assessors (the 'Institute') had invited applications for membership of the Institute. We are glad to inform that we have received a good response of around 5000 applications for membership of the Institute. The processing of the applications is on. No sooner it is complete, than the list containing the exact number and other details shall be hosted on this website for information of all concerned. This will be followed by individual communications to the applicants.
